OUR STORY

On the golden sands of Cyprus Island – a birthplace of historical beauty and radiance the Mercure Larnaka Beach Resort bathes in sunshine on the Oroklini coast. The gentle waves of the Mediterranean Sea caressing the shoreline, create a perfect backdrop for the true luxe of guest experience, where each breath of lightly salted air refreshes your aura.

Each year, a few miles away, a ruffle of pink and white feathers are drawn to the warmth of Southern European shores and descend on Larnaka's Salt Lake. Cyprus' famed flamingos, whose long legs wading through still waters appear like blush pastel brush strokes on the lake and color nature's canvas.

The Mercure Larnaka Beach Resort, under the international Accor banner, is deeply committed to sustainable value creation, and Mercure Hotels worldwide are emblems of their local surroundings.

As a beautiful blend of international hospitality and savoir-faire, we are proud to host you in our slice of paradise, and welcome you to our glittering shores.
